"You're not selling anything. You're asking for 2 clicks."

Do you know any of these people?

They all can help you fundraise!

Step 1. Think of three people in each category. Write down their names and phone numbers.

Step 2. Pick up the phone and call them! Or, better yet, have your kids do it!

Step 3. Tell them about 2click. Tell them they can save money, time and hassle, AND make money for your group at the same time!!

"My group is doing a very unique fundraiser, and instead of asking you to buy something you don't want, we're trying to find some things you are already buying, where you can save money, and we can make money at the same time. Do you have a minute?"
